The screenshot shows the 'Marketing & Outreach: Library' page on the OverDrive Resource Center. The page has a blue header with the OverDrive logo and navigation links for Library, K-12 Schools, Higher Education, and Corporate. A search bar is located in the top right. Below the header, the page title 'Marketing & Outreach: Library' is displayed, followed by a brief description and a 'Contact us' link. A navigation bar includes 'Customize', 'Trending', 'Print-Ready' (highlighted in green), 'Social', and 'Outreach'. The main content area features a green sidebar with instructions on how to use icons for bookmarks, posters, and stickers. The main content is divided into two sections: 'Hang These Up: Posters & Flyers' and 'Hand These Out: Bookmarks & Half-sheets'. The 'Posters & Flyers' section includes 'Customize Your Experience Flyer' and 'Dyslexic Font Poster', each with a preview and download button. The 'Bookmarks & Half-sheets' section includes 'How-To Bookmark' and 'Adventure Begins! Kids Bookmarks', also with preview and download buttons.
