

# Enjoying Ebooks and Audiobooks

How to customize ebook and audiobook preferences in Libby

# Recap – Enjoying ebooks and magazines

## Our favorite features in Libby's ebook reader:

- Notes/highlights
- In app definitions
- History bar
- “Sticky” reading settings
- Time spent reading
- Page count
- Open dyslexic font

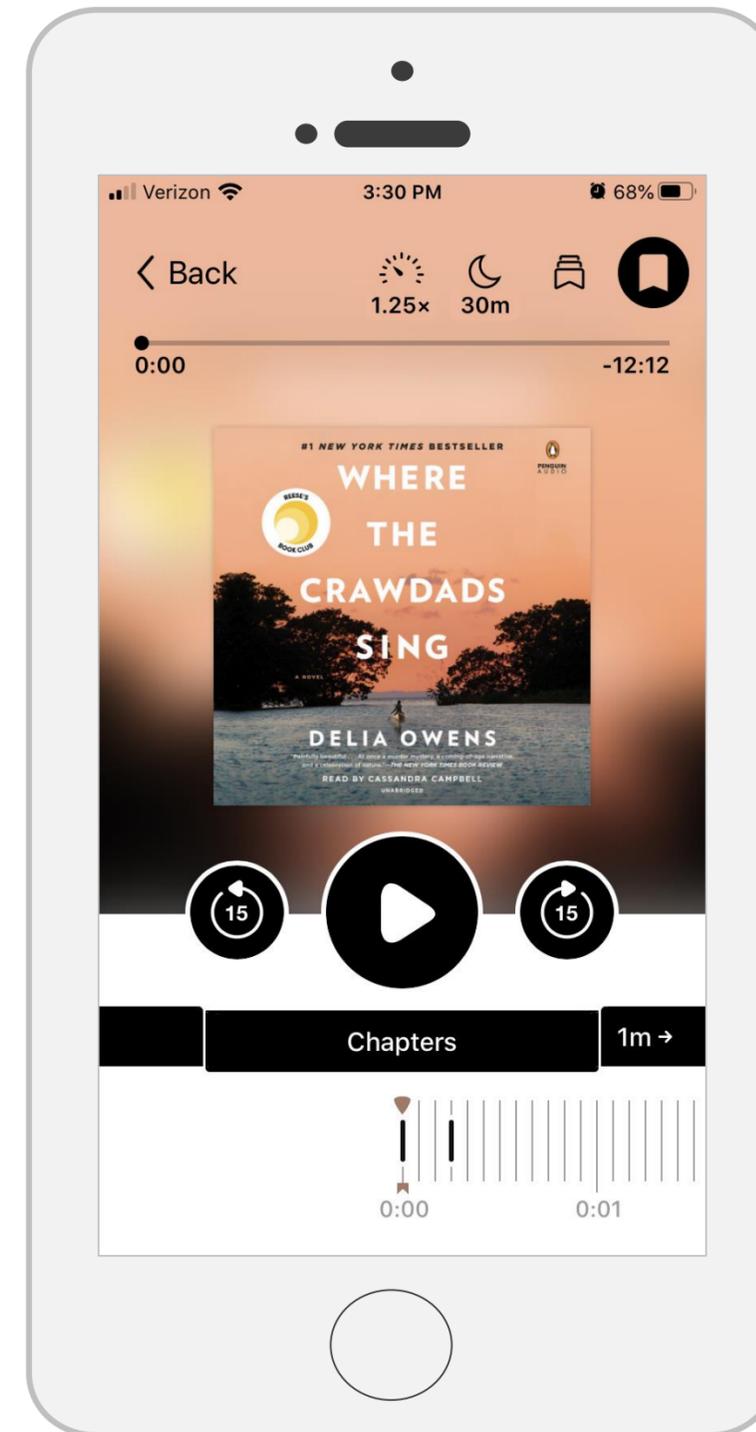

*Reading settings for fixed-layout magazines and ebooks (like graphic novels or picture books) can't be changed, because the publisher decides exactly how each page looks.*

# Recap – Enjoying audiobooks

Our favorite features in Libby's audiobook reader:

- Playback speed
- Sleep timer (*Pause at **End of Chapter***)
- Bookmarks
- Jump to next chapter
- Notes/highlights
- History bar
- Google Home, Apple Car Play, Android Auto & Sonos speakers
